**“Learning platforms and online resources”  
Parent Workshop 9:15 am Tuesday 3<sup>rd</sup> December (repeated at 5pm)**

Dear Sir/Madam

The initial launch of the Parental Involvement Programme at Ysgol Dyffryn Aman began in September with two very successful sessions discussing Pastoral structures and techniques we use to tackle bullying. October's workshop concentrated on communication methods including reporting and the school website.

The next workshop takes place on December 3<sup>rd</sup> at the new time of 9:15am and it is planned to have a session on the ICT based platforms such as google classrooms, Mathswatch, Bethmateg and other websites, departments use to support pupil learning. Google classrooms is a fantastic tool which allows clarity with regards to homework, assessments as well as a multitude of resources for our pupils. It is an opportunity get out the laptops and let you have first-hand experience of the website/learning environments. No PC experience is needed and we hope that the sessions can retain their relaxed atmosphere.

We would like to invite you to attend our workshop which will include refreshments. There will be two opportunities to attend the workshop, a morning session at 9:15 to 10:15 or an evening session at 17:00 to 18:00.

We would be grateful and very pleased to see all parents. Please return the form below if you intend to come or contact the school via phone call or by email.

Yours sincerely

Dr Paul Beck

**“Llwyfannau dysgu ac adnoddau ar-lein”  
Gweithdy Rhieni 9:15yb ddydd Mawrth 3ydd Rhagfyr (ailadroddir am 5yh)**

Annwyl Syr/Madam

Dechreuodd lansiad cychwynnol y Rhaglen Cyswllt Rhieni yn Ysgol Dyffryn Aman ym mis Medi gyda dwy sesiwn lwyddiannus iawn yn trafod y strwythurau a thechnegau bugeiliol a ddefnyddiwn i fynd i'r afael â bwlio. Canolbwyntiodd gweithdy Hydref ar ddulliau cyfathrebu gan gynnwys adrodd a gwefan yr ysgol.

Bydd y gweithdy nesaf yn cael ei gynnal ar Ragfyr 3ydd ar yr amser newydd o 9:15yb a bwriedir cael sesiwn ar y llwyfannau TGCh fel ystafelloedd dosbarth google, Mathswatch, Bethmateg a gwefannau eraill, y mae adrannau'n eu defnyddio i gefnogi dysgu disgyblion. Mae ystafelloedd dosbarth Google yn offeryn gwych sy'n caniatáu eglurder o ran gwaith cartref, asesiadau yn ogystal â lluo o adnoddau i'n disgyblion. Bydd yn gyfle i fynd ar y gliniaduron a chael profiad uniongyrchol o'r wefan/amgylcheddau dysgu. Nid oes angen profiad PC a gobeithiwn y gall y sesiynau gadw eu hawryglch hamddenol.

Hoffwn eich gwahodd i ddod i'n gweithdy a fydd yn cynnwys lluniaeth. Bydd dau gyfle i fynychu'r gweithdy, sesiwn foreol rhwng 9:15 a 10:15 neu sesiwn gyda'r nos rhwng 17:00 a 18:00.

Byddwn yn falch iawn i weld pob rhiant. Dychwelwch y ffurflen isod os ydych chi'n bwriadu mynychu neu gysylltu â'r ysgol trwy alwad ffôn neu e-bost os gwelwch yn dda.

Yr eiddoch yn gywir
